

The 28th Biennial Conference of the AABE (AABE28) will be held **online on April 28-30, 2022**, as a joint conference between the AABE and the BIOTA Philippines.

The AABE invites you and your colleagues and students to attend the conference and present a paper. The deadline for submissions of the abstracts for presentations is on March 15, 2022.

The website for the 28th Biennial Conference of the AABE and the 56th BIOTA National Convention and Scientific Sessions is now up and running. You can view the tentative program, submit abstracts for presentations, save important dates and get detailed information about events for this joint conference. Registration details will be posted soon.
